UAV Systems Association

TESLA Foundation Group

IDE 2016: The Largest Commercial Drone Expo in the World

The **3rd annual International Drone Expo (IDE)**, the largest gathering of the global commercial drone community, will take place December 9-10, 2016 at the Los Angeles Convention Center. Organized by UAVSA (Unmanned Aerial Vehicle Systems Association), The Tesla Foundation, and E.J. Krause & Associates, **IDE** is the official marketplace for all things drone.

IDE draws over 125 international exhibitors and 4,500+ buyers from around the world. The two day event will feature an exhibit floor displaying a variety of drones, parts, and services for commercial applications in cinematography, photography, real estate, emergency response, agriculture, oil & gas, mining, mapping and surveying, underwater exploration, and law enforcement, along with a host of other sectors for commercialists and consumers.

We are just beginning a new era of aviation. The future is now and drones are here to stay! With more sophisticated sensors, enhanced digital technology, GPS and LIDAR systems, drones and other robotic vehicles are revolutionizing the way we live and do business. Much like the internet boom, drones are changing our lives for the better.

The commercial drone sector will continue to be a key growth factor in creating next generation technology. **Come fly with us!**

*"**IDE** is a great combination of US based and international Drone professionals operating at all levels of the industry; bringing valuable insight and collaborative opportunities for all attendees."*

– Adam Bailey, Vice Chairman, Association of Remotely Piloted Aircraft Systems UK (ARPAS)

IDE 2015 Recap Results:

4,000+ Attendees

Visitors from **17 countries**

136 Press Outlets

89% of attendees are Male / **11%** are Female

44% of attendees earn **over $100,000+**

57% of attendees are from the **commercial sector** / **43% consumer**

Attendee Profile

- Aerial Cinematographers
- Drone Design Engineers
- Drone Flyers
- Drone Builders
- Drone Pilots
- Software Developers and APPS Developers
- Autonomous Vehicle Engineers
- Real Estate Executives
- UAV Systems Operators
- UAV Simulation Programmers
- Flight Test Operators
- Drone Systems Programmers
- UAV Operators
- Law Enforcement
- Search & Rescue
- Agriculturists
- Architects and Development Personnel

Who Exhibits?

- Drone Manufacturers
- Drone Distributors
- Drone Service Providers
- Drone Component Suppliers
- Insurance Providers
- Training Consultants
- Software Suppliers
- Drone Parts Suppliers
- 3D Printer Manufacturers
- Drone/Hobby Shops
- Universities
- Professional Operators
- Digital Photographers
- Manufacturers
- Sensor suppliers

Make Connections – Purchase Products – Shape the Future

- **Growth Opportunity:** Unmanned Aerial Systems (UAS) markets are forecast to reach **$4.8 billion dollars worldwide within the next 5 years**
- Businesses are hungry to adopt the technological and cost saving advantages of transformative robotic technologies
- Software and Hardware designers are entering the market at a rapid rate
- **"Drone Fever"** is upon us. This is the moment of conception for an entire new industry segment
- **Sensor, Nano, and Battery technology is expanding** in unison with robotics innovating and shaping the marketplace on a daily basis
- **With drones, the conversation is endless!** The future is now, help create the movement of next generation technology at **IDE 2016!**

*"At the **IDE Conference and Expo**, The Unmanned Agricultural Institute joined a world class network of industry leaders to discuss the most pressing drone issues and browse an exhibit floor featuring companies from around the globe and throughout the supply chain."*

– G.Bailey Stockdale, Executive Director, UAI

INTERNATIONAL DRONE EXPO 2016

SPACE APPLICATION

December 9 - 10, 2016

Participation Options

☐ Option #1: Package Space:

Available at $22 per sq.ft.
(minimum 100 sq. ft.)

10 x 10: $2,200

Includes: Pipe and drape, ID sign, carpet (Tuxedo Gray), one table, two chairs, waste basket

☐ Option #2: Raw Space:

Available at $19 per sq.ft.
(minimum 400 sq. ft.)

20 x 20: $7,600 *Includes:* Carpet (Tuxedo Gray),

Sponsorship Opportunities

Build your brand and boost your profile through a variety of sponsorship opportunities. If you are looking for maximum exposure and promotional opportunities and want to market to a coveted and targeted audience, we can create a custom sponsorship package to meet you company's goals.

Enjoy the benefits of a sponsorship and demonstrate leadership in the industry.

☐ **YES we are interested in exhibiting at INTERNATIONAL DRONE EXPO 2016.**
